

LITTLE BARBER WATER REPELLENT SHORT APRON

MOD: 651

Short apron perfect for barbershops with an american style and industrial touch. It has a central pocket with leatherette fabric and a system of ropes that serve as a hanger. You can tie this apron around your waist and you can easily adjust it based on your body shape. You can also wear it with leather straps.

100% cotton twill fabric treated with a Teflon® chemical impregnation that works as a shield for the fabric, forming a barrier around the fibers to **repel water, dirt and stains**. The approximate measurement of the apron is 37 cm long x 66 cm wide.

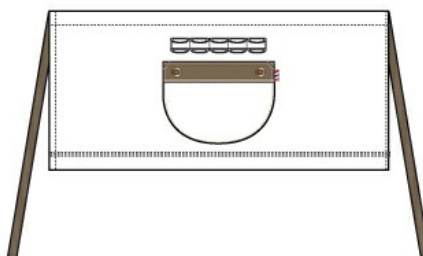

Leather braces 559 are sold separately.
