

BARBER WATER REPELLENT BIB APRON

MOD: 649

Bib apron perfect for barbershops with an industrial touch. It has a set of pockets on the chest with a leatherette pen holder and a patch pocket on the left hips. It can be adjusted to the body either with a leather harness or by cross-back straps (sold separately). It has four contrasting pockets at the hips.

100% cotton twill fabric treated with a Teflon® chemical impregnation that works as a shield for the fabric, forming a barrier around the fibers to **repel water, dirt and stains**. The approximate measurement of the apron is 84 cm long x 69 cm wide.

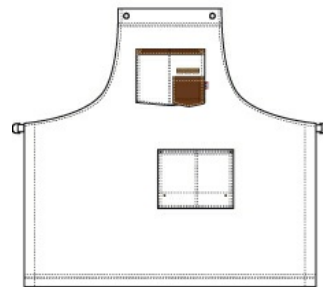

Leather harness 558 and trim harness 557T are sold separately.
